# ALEXANDER HOWAT IS VICTORIOUS IN FIRST SKIRMISH WITH LEWIS

## Convention Fails to Sustain President Lewis' Decision That Howat's Appeal is Out of Order—President's Followers Demand a Roll Call Which Will be Had Today

(By The Associated Press)  
INDIANAPOLIS, Ind., Feb. 15.—Marked by the preliminary victory of Alexander Howat, deposed chief of the Kansas union miners in his fight for union reinstatement of himself and his expelled followers, the convention of the United Mine Workers today abruptly stopped work, delaying until tomorrow its final decision whether it would consider the expulsion order of International President John L. Lewis and other administration officials.

In the stormy session during which Mr. Lewis declared that his life had been threatened repeatedly during the last ten days, the delegates almost lost sight of their main work, the framing of the union's wage policy, and devoted themselves entirely to debate of the union's internal troubles.

A vain appeal was made by Mr. Lewis to direct the delegates to the wage question. He referred to the threatened coal strike on April 1 as "seemingly inevitable" and pictured the miners as a vast army that was asked to stop on the eve of battle "to wash its own dirty linen."

# HOLDING OFFICE IN VIOLATION OF LAW, - WATSON

## Could Arrest Secretary Mellon for Offense

(By The Associated Press)  
WASHINGTON, Feb. 15.—Secretary Mellon is holding the office of secretary of the treasury in violation of the law and can be arrested for retaining the place if anyone sees fit to swear out a warrant charging him with the offense, Senator Watson, Democrat, Georgia, declared in the senate today.

The law which Mr. Mellon is violating, the senator said, prohibits the secretary from engaging in any kind of business or commerce.

Senator Watson read the provision of Section 243 of the revised statutes, which he declared, expressly forbid Mr. Mellon to retain his place. He declared that by staying in office the secretary was violating the law and added that it was generally known that Mr. Mellon was one of the wealthiest individuals in the country.

The assertions were made in connection with several speeches on the accomplishments of the two major political parties. He informed the senate that the law was passed in the first congress in the United States and that during the administration of President Grant, A. T. Stewart had withdrawn after being named secretary of the treasury, when attention was called to provisions of the act.

Says Stewart Resigned.  
Mr. Watson stated that Mr. Stewart had resigned three days after his information by the senate and after President Grant had learned of the provisions of the law.

"And if Mr. Stewart resigned," continued the senator, "why should not Mr. Mellon resign? Why should he continue in office in insistent violation of the law he knows it, so does President Harding know it and the Republican party is going to have to answer for it this fall for I do not believe the people will stand for open violation of the law by a cabinet member when other persons are prosecuted for trivial offenses."

Senator Watson referred to the recent passage of the allied debt refunding bill and said that never before had so much money been placed in the hands of one man to handle and "that man is violating the law every day of his life."

He challenged "all of the lawyers in the senate" to refute his statements, relative to Mr. Mellon's right to remain as secretary.

Mr. Watson also read from James G. Blaine's "Twenty Years in Congress," a reference to the circumstances surrounding the nomination of Mr. Stewart. This told how Mr. Grant had asked congress first to amend the law to let him keep the job and then after it was seen that congress was unwilling to make the changes the president withdrew his request and the newly named secretary resigned.

# CONGRESS MUST FIGURE HOW TO RAISE THE MONEY

## Getting Money for Bonus Put Up to House by Harding

(By The Associated Press)  
NEW YORK, Feb. 15.—President Harding was lauded by officials of the national budget committee today for having put "squarely up to congress the question of raising money to pay the soldier bonus."

It was the first time a president had insisted that congress assume some responsibility said John T. Pratt, chairman of the budget committee at a luncheon meeting. He urged that making the raise the money it voted to spend any make that body "more circumspect."

Henceforth, said committee members the question asked of congressmen would not be "how much money did you get for your constituents?" but how much money did you save the nation?

The committee formed to aid in putting the government on a basis of efficiency and economy will hold its first convention here April 18 and 19, it was announced. Every state will be represented by delegates from financial, professional and trade organizations it was said.

RECEIVER FOR APPLE APPOINTED  
CHICAGO, Feb. 15.—While the state's attorney's office today was investigating the affairs of Raymond J. Bischoff and Leslie Harrington, who are alleged to have borrowed more than \$7,000,000 from poor persons mostly of foreign extraction, a receiver was appointed by Federal Judge K. M. Landis for Charles H. Apple, whom Bischoff accused of initiating his methods in raising money.

HALF OF CHILDREN IN RURAL SCHOOLS  
CHICAGO, Feb. 15.—More than half of the school children of the United States are attending rural schools, and these rural children are, on the average, less healthy than the children of the cities, including all the children of the slums, the Rev. C. M. McConnell, of Chicago, said today at an address at the fourth annual meeting of the National Methodist hospitals and homes association.

ST. PAUL, Minn., Feb. 15.—H. Foster and T. Morken of Minneapolis, rolled 1,227 today, which was good for second place in the double event at the International Bowling association's tournament.

# SOLDIER BONUS QUESTION STILL UP IN THE AIR

## Congress Without Official Word from President Harding

(By The Associated Press)  
WASHINGTON, Feb. 15.—The soldier's bonus question was tonight still very much in the air. Congress was without any official word from President Harding as to his views on the subject and meantime, the committees which have been handling the problem continued to mark time. Among senators and representatives generally there was a considerable private discussion and conjecture with the revival on the house side of talk about a slashing of annual appropriations bills as a means of providing the necessary finances for the bonus.

Representative Mondell, Wyoming, and some other house leaders were understood to be giving this proposal close study. Mr. Mondell said the supply measures would have to be examined carefully to determine whether much of the sum needed for the bonus could be obtained from that direction.

This proposition met with considerable response from members of the house, where apparently there is growing desire to put the bonus thru.

With the executive known to look with disfavor upon either the suggested eight point tax program, or a bond issue, sales tax proponents pushed their campaign with renewed vigor and were understood to have been well satisfied with the progress made.

Some senators thought that Mr. Harding might suggest the sales taxes but this belief did not appear to be general. Sentiment in both the house and senate against a sales tax was said to be so strong that there was little probability that the bonus bill with a provision for this tax could be passed.

Mr. Lewis' decision that Howat's appeal was out of order was overridden on a rising vote of 977 to 864 but the administration forces immediately countered with a demand for a roll call, contending that 125 Howat followers who were not entitled to vote, had been counted to give the preliminary victory to the Kansans. The roll call was delayed until tomorrow by the adoption of a motion of Frank Farrington, Illinois leader, and Howat's chief supporter, who protested against voting until the credential committee had completed its work of determining who were entitled to vote as delegates.

Mr. Farrington's motion placed the wage question before the convention but administration forces carried a motion to delay all work until the Kansas case was disposed of finally.

After adjournment, both sides were busy campaigning among the delegates with each predicting final victory. The convention tomorrow is expected to consume the entire day.

# ATTORNEY GENERAL DAUGHERTY HANDS DOWN AN OPINION

## Tells Hoover How Far Trade Associations Can Go

(By The Associated Press)  
WASHINGTON, Feb. 15.—Activities of trade associations do not contravene the provisions of the Sherman anti-trust laws, in the view of Attorney General Daugherty unless in actual practice they developed enhanced prices, suppressed competition and curtailed production.

The opinion of Mr. Daugherty expressed informally and tentatively was made public today by Secretary Hoover who had inquired as to the legal limits in which trade associations could properly operate in connection with the commerce department's plans for publication of statistics.

This letter Mr. Hoover asked for an informal expression of views as the eleven specific forms on trade association activity embracing a wide field of operation.

Mr. Hoover inquired further if a trade association could engage in any or all of these activities provided there was no intent to hide some agreement to actually restrain trade or otherwise violate the anti-trust laws.

With regard to the first question Mr. Daugherty declared there was no apparent objection to a standard system of cost accounting, but associations should be warned to guard against uniform cost as to any item of expense and suggested the elimination of a part of one question as to the property of an association furnishing trade marks for its members.

# REVOLUTIONISTS DWINDLE TO FIVE MEN

## EL PASO, Texas, Feb. 15.—Nicholas Rodriguez' band, which burned two railroad bridges in Chihuahua last week, and which was put to flight by federal troops has dwindled to five men and one of them is wounded, according to Lieutenant Joaquin Arce, aide of General J. # CON CON DELEGATES RESOLVE INTO COMMITTEE OF WHOLE

(By The Associated Press)  
SPRINGFIELD, Ill., Feb. 15.—Failing to make any progress and failing to shake itself loose from the tangle of tax questions in which it has become enmeshed the constitutional convention tonight resolved itself into the committee of the whole for a free and informal discussion of its revenue problems.

Even this procedure occurred about by a vote of 31 to 24. It was proposed by delegate Green of Urbana, who offered seven questions, which he asserted could never be settled in formal convention.

Delegate Jarman of Rushville and Kerrick and Fifer of Bloomington led in an effort to throw the whole revenue article open for debate in the convention resolved itself into a committee.

The seven questions which delegate Green placed before the committee tonight follow:

- 1.—Shall the constitution require the legislature to provide for a uniform rate if an income tax be levied?
- 2.—Shall exemption be limited to income from personal services or shall exemptions be allowed from incomes both from property and personal services?
- 3.—Shall the constitution forbid the general assembly imposing an ad valorem tax upon property the income of which is taxed?
- 4.—Shall all exemptions from income taxes be forbidden?
- 5.—Shall the general assembly be required if it levies an income tax, to fix the rate upon incomes from property that are fixed upon incomes from other sources?
- 6.—Shall the general assembly be limited to providing revenue only by a general property tax?
- 7.—Shall the constitution forbid the general assembly making any form of classification of property for taxation?

# ALABAMA POWER COMPANY ENTERS LIST OF BIDDERS

## May Offer Formidable Rivalry to Proposal of Ford

(By The Associated Press)  
WASHINGTON, Feb. 15.—Entry of the Alabama Power company today in the lists of private bidders for the government's properties at Muscle Shoals, Alabama, was regarded by officials as offering formidable rivalry to Henry Ford's proposal now before congress for final decision.

Secretary Weeks probably will expedite delivery of the new offer to congress so that consideration of the Alabama and Ford proposals can be undertaken simultaneously.

The Alabama company offer is for purchase of the Warrior Power plant and transmission line and lease for fifty years of the other properties under provisions of the federal water power act.

Members of the house military committee investigating the Ford offer learned with interest of the Alabama company's bid but said they would not delay action on that already before them pending receipt from the war secretary of the offer.

Chairman Kahn explained that it was the duty of the committee acting in behalf of the government's interests to make a careful study of all offers in an effort to determine which was the best from the government's point of view.

Chairman Kahn was uncertain now long the military committee would continue the hearings on Mr. Ford's offer. Witnesses to be heard include a number of the most important on the dock, such as Hugh Cooper, consulting engineer for the government on the construction of the Muscle Shoals projects; attorneys for the air nitrates corporation and the Alabama Power company, both of which claim optional privileges for properties at Muscle Shoals, which they have declared their intention to exercise before the government decided upon a disposal of them to private interests and Theodore Swann, of Anniston, Ala., an engineer on the Muscle Shoals construction works.

Alabama Company Bids.  
After they are heard, Mr. Kahn said the committee will face its task of reporting to the house the result of its deliberations on the Ford offer. It appeared probable in view of these circumstances, said the chairman, that the committee would be engaged for another two weeks before it would be able to refer the proposal back to the house. In the event Mr. Weeks submits the Alabama company's proposal within that time the two offers would be simultaneously in the hands of the same house committee.

Today's meeting was devoted to hearing testimony of Governor Alfred Taylor of Tennessee, in addition to that submitted by Prof. Elton Whitney, chief of the soils bureau department of agriculture.

The governor was accompanied by a delegation of Tennesseans for whom he spoke in condemnation of the Alabama Power company, which he declared was opposing the offer of Mr. Ford. He strongly urged adoption of Ford's proposal and declared no person, company or corporation which opposed it was welcome in the state here represented.

First hearings to be held on the Ford offer by the senate agriculture committee were scheduled to begin tomorrow.

Members of the house military committee investigating the Ford offer learned with interest of the Alabama company's bid but said they would not delay action on that already before them pending receipt from the war secretary of the offer.

Chairman Kahn explained that it was the duty of the committee acting in behalf of the government's interests to make a careful study of all offers in an effort to determine which was the best from the government's point of view.

Chairman Kahn was uncertain now long the military committee would continue the hearings on Mr. Ford's offer. Witnesses to be heard include a number of the most important on the dock, such as Hugh Cooper, consulting engineer for the government on the construction of the Muscle Shoals projects; attorneys for the air nitrates corporation and the Alabama Power company, both of which claim optional privileges for properties at Muscle Shoals, which they have declared their intention to exercise before the government decided upon a disposal of them to private interests and Theodore Swann, of Anniston, Ala., an engineer on the Muscle Shoals construction works.

Alabama Company Bids.  
After they are heard, Mr. Kahn said the committee will face its task of reporting to the house the result of its deliberations on the Ford offer. It appeared probable in view of these circumstances, said the chairman, that the committee would be engaged for another two weeks before it would be able to refer the proposal back to the house. In the event Mr. Weeks submits the Alabama company's proposal within that time the two offers would be simultaneously in the hands of the same house committee.

Today's meeting was devoted to hearing testimony of Governor Alfred Taylor of Tennessee, in addition to that submitted by Prof. Elton Whitney, chief of the soils bureau department of agriculture.

The governor was accompanied by a delegation of Tennesseans for whom he spoke in condemnation of the Alabama Power company, which he declared was opposing the offer of Mr. Ford. He strongly urged adoption of Ford's proposal and declared no person, company or corporation which opposed it was welcome in the state here represented.

First hearings to be held on the Ford offer by the senate agriculture committee were scheduled to begin tomorrow.

## May Offer Formidable Rivalry to Proposal of Ford

(By The Associated Press)  
WASHINGTON, Feb. 15.—Entry of the Alabama Power company today in the lists of private bidders for the government's properties at Muscle Shoals, Alabama, was regarded by officials as offering formidable rivalry to Henry Ford's proposal now before congress for final decision.

Secretary Weeks probably will expedite delivery of the new offer to congress so that consideration of the Alabama and Ford proposals can be undertaken simultaneously.

The Alabama company offer is for purchase of the Warrior Power plant and transmission line and lease for fifty years of the other properties under provisions of the federal water power act.

Mr. Ford with the acquisition of the Lincoln cars evidently pur-  
poses to suit all prospects. Now  
you can buy cars from his agencies  
with a price range of \$300 to \$3,-  
500.

The Knights of Columbus have  
started something new in rehabili-  
tation work among ex-service men  
in a free correspondence school.  
This sounds like an excellent plan  
and affords the opportunity for ad-  
vancement to interested men, no  
matter what their location or en-  
vironment.

Senator McCormick in an ad-  
dress before the senate made a vig-  
orous attack upon the Democratic  
extravagance which placed a great  
burden of taxation on the people.  
In this subject the senator has a  
theme that can certainly awaken  
eloquence. The facts are there  
as to the orgy of spending that  
characterized Democratic adminis-  
tration days. Senator McCormick  
has marshalled these facts in a  
characteristically vivid way.

The Jewish relief committee is  
making an organized effort to se-  
cure funds to be sent into the  
starving overseas countries. This  
is just a part of a general move-  
ment to relieve the suffering es-  
pecially among children in famine  
stricken areas. There is no con-  
flict in the work, no possibility of  
securing contributions that are  
not needed.

Morgan county Republicans are  
expecting to cast ballots for Rev.  
E. B. Rogers of Springfield as a  
member of the next general as-  
sembly. It is understood that  
Mr. Rogers has been chosen as the

running mate of Jacob Frisch,  
who has served acceptably thru  
several terms. Since it is the  
province of the Sangamon county  
people to select the candidates  
that Morgan county is expected to  
support, it is gratifying that such  
good judgment is being demon-  
strated in the selection process.

It is safe to say that not until  
after the days of re-apportionment  
will Morgan county ever have di-  
rect representation in the Illinois  
legislature.

"Uncle Joe" Cannon has "re-  
tired" from congress several times  
before but in the present instance  
there seems to be no denying the  
report. The veteran statesman is  
now 87 years of age, but has the  
acuteness of mind of a man many  
more than a score years his junior.  
One cannot but admire the record  
of the Danville statesman in con-  
sidering the long period of years  
thru which he has served, remem-  
bering that now altho not very far  
from ninety, he is frequently con-  
sulted about the most important  
matters coming up for considera-  
tion before congress.

**THE PASSING OF  
MR. WORTHINGTON**

The passing of Thomas Worth-  
ington takes an important figure  
from the ranks of Jacksonville citi-  
zens. Mr. Worthington, the  
prominent in legal, political and  
literary affairs, was first of all a  
citizen. He had a very earnest de-  
sire to carry his full share of re-  
sponsibility as a citizen and was  
always ready to do his part, to  
lend a hand in aiding any enter-  
prise or movement which he con-  
sidered for the best interests of the  
community. In these projects he  
worked with particular unselfish-  
ness of spirit, and it was very evi-  
dent that he always had uppermost  
in mind the interests of the city  
as a whole, keeping in the back-  
ground any matter of individual  
benefit.

In this matter he was broadminded  
and in his advocacy of move-  
ments or projects of a public kind  
was always willing to make his  
ideas coincide with the views of  
the majority. His desire was to  
help and he was willing to accept  
the other man's method if the  
circumstances suggested this as  
the better way.

Reference is made elsewhere in  
this paper to the high place Mr.  
Worthington held as a lawyer and  
his prominence in political af-  
fairs, and in various fields of ac-

activity. Aside from all these  
things, Jacksonville will always  
remember Mr. Worthington be-  
cause of his fine courtesy of man-  
ner. He had an unflinching dig-  
nity but coupled with it was an in-  
dividual gentleness of manner which  
betokened the tolerance of his  
spirit and his general attitude to-  
ward life and his fellow men.  
Thomas Worthington was a valu-  
able citizen of Jacksonville and his  
going is the cause of widespread  
regret.

A bequest of \$150,000 to Wes-  
leyan University was disclosed at  
the reading of the will of Mrs.  
Dexter Smith of Springfield, Mass.  
achieved, who died recently. The  
money will be available either for  
the erection of a new library  
building or for the general endow-  
ment fund at the discretion of the  
trustees.

**AN INDICTMENT OF  
THE PRESS.**

There was a time when "All  
the news that's fit to print" meant  
exactly what is said in the news-  
paper world. Later with the de-  
velopment of sensationalism as a  
fine art, not for the duty of  
human emotions but of pandor to  
morbid human curiosity, the "yel-  
lows" began edging over the line  
of decency. But it has taken the  
demoralization of the movie col-  
ony at Hollywood, and a murder  
mystery which has remained for  
ten days unsolved, to show how  
thoroughly some of the Chicago  
papers have scrapped all idea of  
what really is fit to print.

People are interested in movie  
stars because they know them by  
sight. They are always interest-  
ed in an unsolved mystery, particu-  
larly when the "gripping" hand  
of death has done its work. So  
that the latest crime in Holly-  
wood movie circles has had an  
unusual drawing power as news.  
But for lack of progress in the  
detection of the criminal, certain  
Chicago papers have begun to vie  
with each other in the turning up  
of foulness and degeneracy, and  
in the brazen openness and cynic-  
ism with which they have forced  
on their decent readers all sorts  
of filthy gossip about depravity  
and unnatural vice. Much of this  
sline can not qualify as news,  
none of it as fit to print.

It is getting hard to tell which  
are the most demoralized and de-  
moralizing, the overpaid, unbal-  
anced decadents who form a  
lunatic fringe of the movie world,  
or the cynical, unabashed, cir-  
culation-chasers and scandal mon-  
gers of the Chicago press.

**BERKSHIRE SALE  
WAS WELL ATTENDED**

Prices Were Uniform at Sale of  
J. H. Nickel & Son Held in  
Arenzville.

A sale of Berkshire hogs was  
held at Arenzville Wednesday by  
J. H. Nickel & Son of this county.  
The Nickel farm is located in  
the northwest part of Morgan  
county but the sale was held in  
Arenzville as a matter of con-  
venience to patrons. There was  
a very large attendance and the  
forty high class animals sold at  
very satisfactory prices. The  
average was \$62.50 a head. It  
is seldom that animals of such  
uniform quality are offered and  
such uniformly in price rules.  
As indicated, the average price  
was \$62.50. Other averages  
were: For the first 10, \$71.50;  
for the first 20, \$64.62; for the  
first 25, \$61.70; for the first 30,  
\$61.75.

Lloyd Seeley of White Hall;  
W. H. Crum and Bert Way of  
this county were the auctioneers.  
A number of men prominent  
among the breeders of Berk-  
shires were in attendance, includ-  
ing W. S. Cora of White Hall,  
president of the American Berk-  
shire association, and Frank S.  
Springer of Springfield, the sec-  
retary; L. E. Frost of the Berk-  
shire World; F. E. Scott, the  
National Livestock Reporter;  
Jerome Leland and Clyde Moore,  
Springfield; H. J. Rucker, as-  
sociate county agent, who is  
especially interested in livestock,  
was one of those in attendance.  
Among the sales were the follow-  
ing:

Albert Rolf, Bluffs, sow \$87.50.  
Rolly Willey, Arenzville, gilt,  
\$67.50.

**REDUCED RATES  
TO THE WEST**

Jacksonville people who are plan-  
ning to make western mountain  
resorts the coming season will be  
interested to know that they will  
be able to do so at a great saving  
in railroad fares over that of  
former years.

Railroads in general are already  
announcing reductions in fares to  
both winter and summer resorts  
and in keeping with the spirit of  
the times the Chicago & Alton and  
Burlington announce that they  
will sell tickets to western points  
at a reduction of practically 20  
per cent under what such trips  
cost during and since the war  
period.

Fares to Rocky Mountain re-  
sorts that formerly cost from \$77  
to \$86 may now be bought for  
\$59 to \$66 and California trips  
correspondingly.

**BLUFFS HOUSEHOLD  
SCIENCE CLUB MEETS**

Mrs. Henry Knoepfel is hostess  
to club members at most re-  
cent meeting—Other News  
From Bluffs Vicinity.

Bluffs, Feb. 15.—The House-  
hold Science club held a very in-  
teresting meeting at the home of  
Mrs. Henry Knoepfel Tuesday af-  
ternoon with twenty-four mem-  
bers and two visitors present.

The debate "Does a College  
Education have a Tendency to  
keep women from Becoming good  
Housekeepers?"

Affirmative, Mesdames Lena  
Korty and Janie Woodson.

Negative, Mesdames V. Knoep-  
fel and Ada Adkins. The argu-  
ments and papers on both sides  
were good and brought out many  
good points. At the close of the  
debate a vote by ballot was taken  
to decide the merits of the argu-  
ments and the result was a tie  
vote.

Uses of apples and prunes with  
Mrs. H. Logan as leader gave a  
few ideas in serving both fruits.  
The contest by Mrs. Woodson  
closed the afternoons program.

A dainty luncheon was served  
by the hostesses, Mesdames Anna  
Knoepfel, Mary Logan, Mamie  
Knoepfel and Lena Korty. Valen-  
tines were used as favors and  
place cards were heart shaped  
valentines. The heart shaped  
effect was carried out in the menu  
and presented a very pleasing  
appearance.

It is with regret that we learn  
of the unexpected death of Ar-

**ILLINOIS COLLEGE IS  
READY FOR ST. VIATORS**

Game Marks Beginning of Ath-  
letic Relations Between Schools  
—Visitors Have Strong Aggre-  
gation.

When St. Viators College of  
Bourbonals, near Kankakee meets  
Illinois College tonight at eight  
o'clock on the David Prince floor,  
the contest will mark the begin-  
ning of athletic relations between  
these two colleges. Distance be-  
tween the schools has been the  
prohibitive factor.

St. Viators comes with an im-  
pressive string of victories over  
St. Louis University, Arkansas Ag-  
gies, Valparaiso University and  
Millikin University. Millikin was  
snowed under last week by 45 to  
25. In the Illinois Intercollegiate  
Conference St. Viators has lost  
but two games. They lost to  
Millikin at Decatur early in the  
season and Tuesday night they  
lost to the fast stepping Bradley  
team at Peoria. Last night they  
played Eureka at Eureka and to-  
night come to scalp the Illinois  
team.

The Blue and White players  
have probably eliminated the over-  
confidence which is generally  
recognized as the cause of the  
Normal defeat last Saturday  
night. If they are up on their  
toes tonight the game should be a  
fast one.

The probable lineups are:  
Illinois: St. Viators:  
Antrobis ..... F. L. Winterhalter  
Dale ..... J. Lyons (c)  
Mellon (c) ..... C. J. Winterhalter  
Cully ..... R. J. Winterhalter  
Jones ..... E. McCarthy  
Referee—Young, Illinois Wes-  
leyan.

**WOODSON HOUSEHOLD  
SCIENCE CLUB MEETS**

Mrs. Nellis Crain was hostess to  
members of the Woodson House-  
hold Science club Wednesday at  
her home in Woodson. The at-  
tendance was only fair as sick-  
ness interfered with the coming  
of some of the members. "Spring  
Gardening" was the theme of  
the afternoon and the principal  
paper was presented by Mrs. Stella  
Rawlings on the subject, "When  
Where and What to Plant." Mem-  
bers responded to roll call by  
naming a state and its chosen  
flower.

At the close of the program  
came a social hour, when the  
hostess demonstrated a dessert.  
The serving of delicious refresh-  
ments added greatly to the pleas-  
ure of the afternoon.

The club members had a Valen-  
tine social Tuesday evening at  
the home of Mrs. Alta Trout.

When various games and contests  
were enjoyed. A dainty luncheon  
was served by the hostess. Among  
the guests present were Mr. and  
Mrs. Edward Barrows and son,  
Paul, of the Asbury neighbor-  
hood.

**Clothes**  
And the  
**Man**

—There's a big difference between a dolled-up dude  
and a well-dressed man.

—You can see the difference on the outside, but the  
big difference is on the inside.

—It's the same difference that distinguishes good  
clothes from clothes that merely attract atten-  
tion by offending good taste.

—Good clothes, such as those built to the man by  
ALBERT RENNEN, president of this company,  
have that enduring quality of workmanship in  
them that never wears out.

—Wear them every day and Sunday, too, if you want  
to. Wear them until they're frayed, if you will.  
But the longer you wear them, the better they hang,  
the better they feel on you, the better they FIT.  
They will always look like GOOD clothes.

—Ask MR. RENNEN to show you the selection of  
fabrics available for that kind of clothes!

## EXPECT MANY AT BANQUET TONIGHT

Leading Organizations Join in Get-Together Meeting—Will Be Held at Peacock Inn.

About two hundred are expected tonight at the Get-Together Banquet to be held at the Peacock Inn under the auspices of the Chamber of Commerce, Farm Bureau, Automotive Dealers Association, Kiwanis and Rotary Clubs. The committee in charge of the arrangements expect to have the banquet room of the Inn taxed to its full seating capacity.

The dinner will be served at 6:15 o'clock this evening and following the banquet Professor W. H. Handschin of the University of Illinois will make an address. He will talk on the vital present-day problems of "Adjustments Necessary to Get Back to Normalcy."

In addition to this address there will be singing led by Dr. Thomas W. Smith, the Kiwanis song leader. Speakers representing the different organizations taking part in the meeting will make short talks and a special musical program is also planned. Charles S. Black, president of the Farm Bureau Association will preside.

The Get-Together meeting tonight is the first of its kind ever held in Jacksonville and a great deal of interest is being shown in the movement.

The Rotary and Kiwanis Clubs have held get-together affairs before, but never have the Chamber of Commerce, the Automotive Dealers' Association, the Kiwanis and Rotary Clubs and the Farm Bureau all joined in a good fellowship, community meeting such as will take place tonight. All those who are interested in the movement and what it represents are cordially invited to be present this evening.

## HIGH SCHOOL NOTES.

The mock debate put on in the high school assembly yesterday morning to advertise the Tri-City debate provoked much merriment among the students and served its purpose admirably. The question for debate was "Resolved That Chicken Stealing is all Right." The debaters were attired as colored comedians and a very witty and funny debate was put on. Miss Dorothy Dunavan and Miss Elizabeth Boruff upheld the affirmative of the question and Henry Irving and Albion Wolfe took the negative side.

## Will Give Program.

The Alpha Beta Theta Debating society will have a program on Wednesday of next week, February 22nd. The following program will be given:

Extemporaneous Debate.  
Extemporaneous talk by George Metcalf.

Oration—Lynford Reynolds.  
The affirmative debaters will be Clarence Wilson and Sheldon Nicol. Negative members of the team will be Hazel Becker and Sarah Russel.

## NOTICE TO TAX PAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estates should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

## MISS FERGUSON GAINS 15 POUNDS TAKING TANLAC

"I Eat, Sleep and Work Like A Different Person Since Taking This Grand Medicine," Declares Chicago Girl.

"When I began taking Tanlac I only weighed ninety-five pounds and I now balance the scales at one hundred and ten pounds," declared Miss Elizabeth Ferguson, 1139 Sunnyside Ave., Chicago, Ill. "I just eat, sleep and work like a different person now. A short time ago I couldn't do any fancy work or read or sew for any length of time as I was so nervous. I had such awful headaches that they almost drove me distracted. I shudder even now when I think of them."

"I needed something to bring back my lost strength and steady my nerves and this is exactly what Tanlac has done for me. It has brought me health and happiness and I will be grateful to it the longest day I live."

Tanlac is sold in Jacksonville by Coover Drug Co. and Shreve's Drug Co. and by leading druggists everywhere.—Adv.

## STOMACH UPSET?

Get at the Real Cause—Take  
Dr. Edwards' Olive Tablets

That's what thousands of stomach  
sufferers are doing now. Instead of  
taking tonics, or trying to patch up a  
poor digestion, they are attacking the  
real cause of the ailment—clogged  
liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse  
the liver in a soothing, healing way.  
When the liver and bowels are per-  
forming their natural functions, away  
goes indigestion and stomach troubles.

Have you a bad taste, coated  
tongue, poor appetite, a lazy, don't-  
care feeling, no ambition or energy,  
trouble with undigested foods? Take  
Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a  
purely vegetable compound mixed with  
olive oil. You will know them by their  
olive color. They do the work without  
irritating, cramps or pain.

Take one or two at bedtime for quick  
relief. Eat what you like. 15c and 30c.

that hard raveled phlegm, eases breathing,  
relieves of hoarseness, strained coughing and

under rehearsal for some time and  
is progressing in a very satisfac-  
tory way. In addition to the regu-  
lar minstrel features of the offer-  
ing a chorus of nearly one hun-  
dred persons will be cast to sup-  
port the piece and many special-  
ties by some of Jacksonville's best  
talent will be seen.

## FOOD LESSON NO. 5

## Fresh from Churn to Your Table

Like all milk products (creamery  
butter, cottage cheese or ice  
cream)—GOOD LUCK is best  
when used while strictly fresh.  
It is then that the flavor and  
fragrance are best. It is then that  
satisfaction is most apparent.

Our shipping arrangements take  
care of this. GOOD LUCK  
is churned each day; and ship-  
ments are made daily to our  
sales-agents. Jelke GOOD LUCK  
Spread for Bread may be relied  
upon at all times to be fresh  
when received by the customer.

The millionaire served direct  
from his own dairy farm, has no  
advantage over the buyer of  
Jelke GOOD LUCK in the way  
of freshness.

There are no cold storage goods

an aggregate acreage of 76,810  
acres of wheat, corn and oats, the  
report stated.  
Illinois, with 11,317 members,  
continues to lead all other states  
in a membership campaign now in  
progress, 472 members being  
added in the last week. The total  
membership in 12 states is 45,-  
303.

## BORAH PRAISES WOODROW WILSON

New York, Feb. 15.—Differ-  
ence of opinion had not blinded him  
"to the great policies and  
principles advocated by ex-Presi-  
dent Wilson," Senator William E.  
Borah, one of the leading op-  
ponents of the league of nations  
in the senate, declared today in a  
telegram to the Woodrow Wilson  
Foundation which was read at its  
dinner tonight.

## FOUR INJURED IN RAIL WRECK

WASHINGTON, Feb. 15.—  
Four persons were injured, two  
seriously, when the Pennsylvania  
express from Buffalo, due here  
at 10:55 o'clock tonight, was de-  
railed at Odontown, Md. Four  
cars, a coach, chair car, dining  
car and baggage car, left the  
track. Traffic was still blocked  
on the line in both directions sev-  
eral hours after the wreck.

## MANY WILL DIE FOR LACK OF FOOD

(By The Associated Press)  
FARGO, N. D., Feb. 15.—Forty  
per cent of the cattle in the  
cattle in the drought stricken  
counties of the southwestern part  
of North Dakota will die before  
spring if feed relief is not secured,  
according to advices to the state  
agricultural college here, it was  
announced at the college tonight.  
County agents of some counties  
are considering a great drive of  
the cattle in this section north  
into the ad lands, where the range  
was not cut off last fall, accord-  
ing to J. W. Haw, county agent  
leader of the college. A foot of  
snow on the prairies with almost  
entire lack of feed under the snow  
makes it almost impossible for  
cattle and horses to rustle a living  
he said.

Reports come to Fargo from  
other sources of numbers of  
horses being found dead—as many  
as seventeen on one school sec-  
tion.

## DEMPSEY LOOKING FOR SOMEONE TO BOX

NEW YORK, Feb. 15.—"Open  
for engagement" is the position of  
Heavy Weight Champion Jack  
Dempsey who arrived here today  
looking for logical opponents for  
a title bout next summer. Demp-  
sey is ready to fight any heavy-  
weight or light heavy weight,  
either here or abroad who will  
prove a financial drawing card  
according to the statement of both  
the champion and his manager,  
Jack Kearns.

Promoters are not rushing to  
sign up the champion at attrac-  
tive figures and Manager Kearns  
said he might have to go abroad  
or into vaudeville in order to  
meet the overhead charges inci-  
dental to housing a championship  
title.

If a championship bout is  
staged in this country Dempsey's  
opponent probably will be selected  
from among Tom Gihons, Harry  
Wills, Harry Greb or Jess Willard.

## STAFF IS TIED WITH MCGOWAN

Saranac Lake, N. Y., Feb. 15.—  
Arthur Staff of Chicago and Ever-  
ett McGowan of St. Paul, tonight  
were tied in the race for the Am-  
erican Professional Outdoor Skat-  
ing Championship on the eve of  
the final events of the three day  
card. Each had 100 points. The  
events tomorrow will be the final  
in the 220 yards race, the three  
quarter mile and five mile events.  
McGowan won the 440 yards  
and mile races today and finished  
third in the three mile event. By  
winning the three mile race and  
finishing second in the mile and  
the 440 yards event, Staff, the  
present champion will enter to-  
morrow's races on even terms  
with McGowan.

Robinson of Toronto, clipped  
three-fifths of a second from her  
previous world's record of 23 4-5  
seconds for 22 yards, made at  
Lake Placid last week.

## MAKE DAIRY COWS YOUNG AND FRISKY

Harrisburg, Pa., Feb. 15.—The  
principle employed in monkey  
glands for rejuvenation has been  
used with success in experiments  
on cows, it was announced today  
by officials of the state bureau of  
animal husbandry. Eleven dairy  
cows which had become grand-  
mothers many times were made  
young and frisky by a serum ex-  
tracted from glands of a ser-  
pent, the statement said. The old cows were  
given the serum in capsules, and  
not only did they fail to develop  
any traits of pigs, but were re-  
ported by observers to have be-  
come useful again.

## WILL HAVE TO BUY GROUNDS AT DANVILLE

Danville, Ill., Feb. 15.—When  
it was learned tonight at a meet-  
ing of baseball fans that it would  
be necessary to buy out the Sol-  
diers Home club before their  
grounds could be secured for

# PROMINENT ATTORNEY ANSWERS SUMMONS

Death of Hon. Thomas Worthington Came as a Shock to City Following a Comparatively Brief Illness—Funeral Will be Held Friday Afternoon at Congregational Church

Hon. Thomas Worthington, who had been ill at his Grove street residence since January 14 passed away Wednesday morning at 10:30 o'clock. Death was due to a heart affection complicated with bronchial trouble.

The news of Mr. Worthington's death came as a great shock to the community. He was known to be confined to his home by illness but the seriousness of his condition was not a matter of general knowledge.

In the death of Mr. Worthington Jacksonville loses one of its most widely known and prominent citizens, the Morgan county bar one of its most learned advocates, Illinois college, one of its most faithful and loyal trustees and the community a most useful, high minded and generous hearted citizen. Skilled in the practice of his profession through thorough collegiate and legal training his opportunity for study had been supplemented by extensive travel in America and Europe.

In political affiliation Mr. Worthington was known throughout Illinois as one of the leading and active members of the Republican party. He served in the Illinois legislature at the time of the first election of Hon. Shelby M. Cullom as United States senator. In 1900 he was appointed director of the census for the 20th congressional district and under the administration of William McKinley was appointed United States district attorney for the Southern District of Illinois. Mr. Worthington's connection with the famous Sny Levee Drainage case gave him a prominence in drainage matters throughout the country and his counsel was frequently sought in drainage cases of importance in state and nation.

In the Sny Levee case which had its beginnings in Pike county, Illinois, and which was finally settled in a hearing before the supreme court of the United States Mr. Worthington was associated with such eminent legal counsel as former President Benjamin Harrison, Milton Hay, Col. Asa Mathews, Attorney General Miller, J. Otis Humphrey, Henry S. Green and Judge Harry Higbee.

As a trustee of Illinois college serving on the board for near 17 years, Mr. Worthington took an unusual interest in the progress and welfare of the institution. He was jealous of his trust as one of the custodians of the funds and property of the college and with great fidelity and earnestness worked unceasingly for its upbuilding. In the endorsement campaign now in progress it was thru Mr. Worthington's efforts that the largest single gift, amounting to \$50,000 was secured.

As lawyer, legislator, district

attorney, census director, college trustee and citizen Mr. Worthington will be remembered as a man of versatile attainments whose community spirit was a distinguishing characteristic and whose death has caused widespread sorrow.

Funeral services will be held Friday afternoon at 2:30 o'clock at the Congregational church.

**Sketch of Life.**  
Hon. Thomas Worthington was born in Spencer, Tenn., June 8, 1850, the son of Dr. Thomas and Amelia J. Long Worthington, natives of Tennessee and Maryland, respectively. His father was a staunch Republican and supporter of Abraham Lincoln.

In boyhood days the subject of this sketch attended the public schools and afterward fitted himself for college in the Pittsfield, Ill., high school. In 1873 he graduated from Cornell University with the degree of Ph. B., and in 1877, from the Union College of Law in Chicago. Together with four others he received the highest honors at Cornell, entitling them to membership in the Phi Beta Kappa fraternity. In the fall of that year he was admitted to practice in the Supreme Court of Illinois. Mr. Worthington practiced in Pittsfield, Ill., and Baltimore, Md., until 1892 when he located permanently in Jacksonville, and formed a partnership with Hon. Isaac L. Morrison. Later J. J. Reeve was admitted to partnership in the firm and it continued so until the death of Mr. Morrison in 1901. In 1912 Hugh P. Green was admitted to the partnership, so that the present name of the law firm is Worthington, Reeve & Green. For the past two years Morrison Worthington has been associated with the firm.

**In Many Big Cases.**  
One of the first suits conducted by Mr. Worthington was brought to recover an interest in his grandfather's estate in Baltimore, nearly 50 years after it had passed into possession of others. In this he was successful, after the case had three times been taken to the Maryland Court of Appeals. His most important action was attorney in behalf of a large number of landowners in a case known as Palms et al versus Wheelock et al, to recover certain bonds and interest, amounting to approximately two million dollars, from all the owners of lands in the Sny Island levee district, which would have rendered the entire property in question valueless. In this litigation the defendants, represented in part by Mr. Worthington, were successful. His associates for the defense were Ex-President Harrison, Ex-Attorney General Miller, Henry S. Green, Judge J. Otis Humphrey, Col. A. C. Mathews and Judge Higbee. The case was taken from the United

Thos. Worthington.

States Circuit Court to the United States Court of Appeals, and finally decided for the defendants in the United States Supreme Court. Mr. Worthington and Ex-Attorney General Miller of Indiana making the oral arguments for the defense.

Mr. Worthington was at one time an officer of the Illinois Bar Association and for many years a member of the American Bar Association.

**Married in 1892.** Mr. Worthington was united in marriage with Miss Miriam A. Morrison, a daughter of his law partner, Hon. Isaac L. Morrison, a distinguished member of the Illinois legislature from 1877 to 1883, and one of the Nestors of the Illinois bar. One son, Isaac L. Morrison Worthington, resulted from this union.

Politically, Mr. Worthington has for many years been an earnest worker in the Republican party. In 1882 he was elected minority representative in the state legislature, from the district including Pike, Brown and Calhoun counties. During this term he began his friendship with United States Senator Cullom, which continued throughout the years. Mr. Worthington was selected, together with Hon. W. J. Calhoun, to make a constitutional argument demonstrating Mr. Cullom's eligibility for the United States senate, and out of this grew the cordial and enduring good will between the two gentlemen.

Mr. Worthington served as presidential elector from the 20th Illinois District in 1888. He was appointed supervisor of census in the same district in 1900, and in the fall of that year made the race for congress in the twentieth district against an ordinary Democratic majority of from 5,000 to 6,000. On March 16, 1901 he was appointed by President William McKinley, United States District Attorney for Southern Illinois, in which capacity he served for more than four years with signal ability.

A number of years ago Mr. Worthington made a trip abroad, touring Europe in company with Myron T. Herrick of Ohio, at present United

Mr. and Mrs. W. I. Williamson had for guests Sunday Mr. and Mrs. Alfred Osborne and children of Russellville, Mr. and Mrs. Wm. Hamilton and son of near Carthage.

Mrs. Phoebe Scott and Miss Helen Sidles drove to Jacksonville Wednesday afternoon.

## RETURN FROM TRIP INTO SOUTHLAND

Mr. and Mrs. J. S. Hackett Back From Journey to Florida and Cuba.

Mr. and Mrs. John S. Hackett have returned from a four weeks journey to the south, which took them to various cities in Florida and then across the channel to Cuba. They were in Havana for six days and found the city and the surrounding country intensely interesting. In Orlando they met Mr. and Mrs. George Luke-man, in Miami, Mr. and Mrs. Charles H. Story and in almost every Florida city they happened upon present or former residents of Jacksonville.

After arriving in Jacksonville, Fla., they drove to a number of other cities and passage for Cuba was taken at Tampa. A few hours later they were in Key West and then went across to Havana, the distance being 90 miles. The channel is rough practically all of the time so that the journey has its discomforts.

Mr. and Mrs. Hackett intended to spend only a day or two at Havana, but found so many places of interest in and about the city that they remained for an entire week.

**Sanitary Conditions.**  
"One could not but be impressed," said Mr. Hackett yesterday, "with the very cleanly conditions in Havana. The streets are very clean and in all quarters of the city sanitary regulations are very strictly enforced. The results are very apparent in the people themselves and amongst the coolies and the laborers of all classes it is a rare thing to find a person not cleanly dressed. In visiting several factories I was also much impressed with the very cleanly conditions. The factories are working now very far below normal capacity, as the business conditions in Cuba are far from satisfactory. However, the sanitary rules and regulations are enforced just as rigidly as at any other time."

"The people themselves give General Leonard Wood credit for establishing the ideals of sanitation that are now maintained. One feature in a cigar factory I visited struck me as both excellent and unusual. In one side of the room there was a high seat and on inquiry I found that this was the station of the reader. It is the custom to have one person read to the workers. The daily newspaper is first read and at other times in the day magazine articles and even passages from books are read. The results are said to be exceedingly gratifying, having an educational effect and at the same time helping to keep the workers contented and satisfied."

"One point of special interest we visited in the territory outside Havana was Matanzas. This is a small city near which the Hershey Chocolate Co. operates a large plantation. The property includes the Matanzas caves. These great caverns, somewhat resembling Mammoth Cave in Kentucky, are operated by the company as a place for sightseeing. A fee is charged for inspection and the guides take visitors thru the electric lighted underground passages, just as is done in some famous caves in this country."

**Business at Low Stage.**  
"Business as I have suggested, is in a very bad way in Cuba because of the low price for sugar. Some immense stocks are being held and the condition with reference to sugar is very much as it was here a few weeks ago with reference to corn. The prosperous times that are so greatly desired cannot come until a higher price is paid for sugar. Enormous losses have been met in the past year by the plantation owners and of course, these conditions have been reflected amongst the workers and small farmers."

"They are just beginning now to cut the cane for this year's crop. Methods in many instances are very primitive and on one plantation I saw a man plowing with a bent limb of a tree. This was an exaggerated case but in very few instances are really modern tools used. There are Chinese in great hordes in Cuba, many of them coolies having been brought there by plantation owners because of the cheap labor thus possible. It is said that the coolies brought from China are not wages until after the third year. What they earn in the three year period goes to the company in repayment of their transportation costs and for their maintenance. After the three year period a wage that we would consider ridiculously small is paid."

"In Havana the Chinese occupy one portion of the city where their own stores, theatres and churches are maintained. Even a separate postoffice department is operated for their benefit. "The climate in Cuba at this season of the year at least, is all that is claimed for it, and the air was warm and balmy all the time that we were there. As you may know, none of the houses have glass in the windows, shutters being used instead. This was true of the hotel where we were guests."

"I mentioned before the attention to sanitation and public health conditions. One rule followed in connection with these plans applies to factory building. The law requires that for a certain given number of feet of floor space that there must also be an open court of a certain size. This plan of construction is used in all of the larger factory buildings and the plan serves as an aid in securing the most air and sunlight."

"At the conclusion of our stay in Havana we returned to Key West and then went to St. Augustine for a few days. Our itinerary was so arranged that we vis-

ited cities on both the west and east coast of Florida and also the inland cities of special interest. This journey to the southland was one we greatly enjoyed and it was a trip that carried with it a good deal of interesting information about general conditions in the south and in Cuba."

**FIRE ALARM**  
The fire department was called to the property at 728 East College street at 6:55 o'clock Wednesday morning where fire had started in the roof by sparks from a chimney. The damage was small and is fully covered by insurance. The house is owned by F. J. Blackburn and occupied by James Hennessey.

## WAVERLY COUPLE UNITED IN MARRIAGE

Miss Mildred Givens Becomes Bride of Joseph C. Anderson, Jr., in Ceremony Wednesday Evening.

Waverly, Feb. 15.—The marriage of Miss Mildred Givens and Joseph Clayton Anderson, Jr., both of Waverly precinct, occurred at 5:30 o'clock Wednesday evening. The ceremony was performed by Rev. Father A. E. Giusti at his home in Waverly. The bride and groom were attended by Miss Louise Anderson and John Anderson, sister and brother of the groom.

Following the ceremony a reception was held at the home of the groom's parents, Mr. and Mrs. Joseph C. Anderson, Sr., one mile east of Waverly. There were thirty relatives and friends of the young people as the guests at this affair, and all joined in extending hearty congratulations and good wishes to the bride and groom.

Mrs. Anderson is the daughter of Mr. and Mrs. William Givens and has always resided in the Waverly neighborhood. She is a young woman of charming personality and is very popular among the younger people of her home community.

The groom, as indicated, is a son of Mr. and Mrs. Joseph C. Anderson. He formerly resided in Franklin but for the past sev-

eral years has lived near Waverly, and has made many friends here. He and his bride will make their home on a farm near Waverly and begin their wedded life under auspicious circumstances.

**ATTENTION I. O. O. F.**  
All members of Urani Lodge No. 243 I. O. O. F. are requested to meet at the hall at 1:30 o'clock Friday afternoon to attend the funeral of Brother Arthur Vannier. Members of Illini Lodge No. 4 and visiting brothers invited.

**PETITIONS FILED FOR TWO CANDIDATES**

Thus far but two petitions have been filed with City Clerk J. E. Scott by candidates for a democratic position. The first petition filed was that of Hart Wells, of 419 South Main street, who seeks the Republican nomination for alderman in the third ward as an opponent of Alderman John D. Cain. It is assumed by Mr. Cain's friend that he will be willing to agree to a candidate.

A petition was also filed for Basil Sorrells, of 1156 Lafayette avenue, as a candidate for Republican nomination for alderman in the second ward.

# REO SPEED WAGON

Fits Every Business

It is an amazing fact and a high tribute to Reo experience and Reo engineering, that this Speed Wagon has not only invaded but conquered, and today absolutely dominates every field of hauling and carrying and delivering.

Prior to the advent of this Speed Wagon, the work it does today was divided among several widely diversified types and sizes of motor trucks.

By its wonderful adaptability—its versatility—its ability to cover territory—its absolute dependability and surprisingly low up-keep—this pneumatic tired Reo has gone from one kind of service to another and proven it will do any and all forms of carrying quicker and cheaper.

## TO HOLD CONFERENCE ON JEWISH RELIEF

Representatives From All Parts of State Will Meet at Home of Julius Rosenwald — Jacksonville Men Invited.

More than 400 representative Jews from all sections of Illinois have been summoned to a conference to be held tonight in Chicago at the home of Julius Rosenwald, at which time final impetus is expected to be given to the drive to raise \$250,000, downstate toward the \$14,000,000 national fund being collected for the relief of war sufferers in Eastern and Central Europe. The City of Chicago, which completed its drive before the first of the year, raised \$1,850,000, although its original quota had been fixed at but one million.

The success of the Chicago campaign was due largely to the inspiration afforded by Mr. Rosenwald, who at the outset pledged himself to give \$1 for every \$7 otherwise contributed in the city. His total gift was thus over \$230,000.

Julius M. Myers of Springfield, chairman of the downstate campaign, has moved his headquarters from Springfield to 76 West Monroe street, Chicago, which is also the headquarters of Charles Rubens, zone chairman in charge of the drive in 10 middle western states. Mr. Myers came to the conclusion that he could keep in touch with the situation all over the state more adequately from Chicago than from Springfield because of the fact that leading Jews of the various communities are constantly coming to Chicago on business. Professor B. B. Burg, campaign director, will assist Mr. Myers in his work.

Mr. Rosenwald, Mr. Rubens, Jacob M. Leach, who was chairman of the Chicago drive; Judge Harry M. Fisher, Captain Elkan C. Voorhees, Marcy I. Berger, Louis H. Rosenburg, Max. M. Korshak, Professor Burg and other Chicago men connected with the Jewish war relief appeal will tell the downstate delegates what they learned by experience during the drive.

The following from Jacksonville have been invited to attend the conference at Mr. Rosenwald's home: Ben Cohen, William Deutch, Harry Frisch, Julius Herman and Mose Meyer.

There will be no direct solicitation of funds, anyone wishing to contribute to this cause can make checks payable to Jos. S. Hammerslough, Treasurer, and forward the same to Ben Cohen, chairman of this county.

**LITERBERRY RESIDENT IS INJURED BY FALL**

Mrs. J. A. Crum is a patient at Passavant hospital, suffering from severe injuries sustained when she fell from an automobile on West College avenue late Tuesday evening. Mr. and Mrs. Crum had spent the day here and were en route to their home in Litchberry when the car struck a rough place in the pavement and the sudden jolt resulting caused Mrs. Crum to fall from the car. She struck her head violently upon the pavement and was rendered unconscious by the fall. She was taken to Passavant hospital, where examination disclosed a severe scalp wound and a number of other cuts and bruises. While the injury is a painful one, it is thought that there will be no serious consequences.

**PRICE OF GRAINS**  
**CONTINUE TO CLIMB**  
By Associated Press.  
CHICAGO, Feb. 15.—New  
climblings of prices in the grain  
market took place today notwith-  
standing a decline in quotations at Liver-  
pool. Estimates which tended to  
confirm reports of world wide  
scarcity of wheat had much to do  
with the fresh ascent of values  
here. The wheat market closed was  
unsettled 1 1/2c to 2 1/2c net higher,  
with May at \$1.41 to \$1.41 1/2, and  
July at \$1.23 1/2 to \$1.23 1/2. Corn gained  
1 1/2 to 2 1/2c, oats 1c to 1 1/2c  
and provisions 7c to 30c.

At first the dominating influ-  
ence in the price of wheat was news of  
a decline in quotations at Liver-  
pool. Estimates which tended to  
confirm reports of world wide  
scarcity of wheat had much to do  
with the fresh ascent of values  
here. The wheat market closed was  
unsettled 1 1/2c to 2 1/2c net higher,  
with May at \$1.41 to \$1.41 1/2, and  
July at \$1.23 1/2 to \$1.23 1/2. Corn gained  
1 1/2 to 2 1/2c, oats 1c to 1 1/2c  
and provisions 7c to 30c.

The upward swing which en-  
sued in the price of wheat was ac-  
companied by a decided broadening  
out of the volume of trading,  
with many dealers attaching signifi-  
cance to an authoritative state-  
ment that purported to show little  
if any margin between wheat re-  
quirements of importing countries  
and the expected world shipments  
this season. Talk of new export  
buying in progress was also heard  
and despite heavy profit taking  
sales near the end of the session  
the market finished but little un-  
der the price record of the day.  
May had touched the highest  
point since the present series of  
advances began.

Active speculative demand gave  
independent strength at times to  
corn and oats. Both cereals  
scored new high price records for  
the season. Buyers took the position  
that 10 cents a bushel ad-  
vance for corn of late was in a  
difficult state after the corn mar-  
ket had been going down for two  
years.

The provision market was gov-  
erned chiefly by fluctuations in  
the value of grain.

**CASH GRAIN**  
**REPORT**  
By Associated Press.  
CHICAGO, Feb. 15.—Wheat in  
the cash market was in good de-  
mand and was strong and higher  
for the futures but at the close  
lost most of the advance, dis-  
counts for red, hard and dark  
hard having gone sharply lower.  
Red wheat was 2 1/2c lower and  
hard 2 1/2c lower while dark hard  
was unchanged to 1c lower.  
Northern and dark northern  
were unchanged. Shipping sales  
were 60,000 bushels. Discounts  
here were unchanged to 1c lower.  
Oats finished 1/2 to 1c higher with  
demand good and the trading  
grades, but lower grades were  
weak and quoted 3/4 to 1c lower.  
Shipping sales were \$1,000 bushels  
including 2,000 but to exporters,  
the first export oats reported in a  
long time.

### What You Want in Children's Shoes

When you buy shoes for your Boy or Girl you probably first think of service and then the knowledge that the little feet will not be cramped or distorted. Appearance counts, too.

When you buy "HOPPERS" shoes for children, you get what you want. They are made for the extraordinary wear that will be given them. By test they are the most economical.

## Social Events

#### Guild Members Meet.

A number of the members of the Young Women's Guild of the Congregational church met Wednesday afternoon with Mrs. George E. Stickney at the parsonage. The time was spent in making surgical dressings for Passavant hospital and a great deal was accomplished during the afternoon.

#### Catholic Ladies' Aid Met.

The Catholic Ladies' Aid society met yesterday afternoon with Mrs. Elmer Snyder as hostess at the Pacific hotel. At the business session presided over by Mrs. W. H. Mason, the president, the annual reports for the year just past were read. The business matters of the society for last year were completed at yesterday's meeting. Plans were also made at this time for pre-Lenten entertainment in the form of a euchre party to be given next Wednesday evening.

The rest of the afternoon was spent in playing cards and dainty refreshments in keeping with Valentine's day were served.

#### History Class in Regular Meeting.

Mrs. George Merrill entertained the members of the History class yesterday afternoon at her home, on Westminster street. Mrs. James Vosseller had charge of the day's program and the discussion was on "Politics of Japan." The topic was of especial interest at this time in view of the recent international negotiations at Washington regarding the question of the "Far East." Dainty afternoon tea was served during the social hour which followed the program.

#### U. C. T. Woman's Club At Ross Home.

The U. C. T. Woman's club met yesterday afternoon with Mrs. Lloyd L. Ross at her home on Pine street. Mrs. Frank Cannon assisted the hostess in entertaining. During the regular business session plans were made for an oyster supper to be given in the near future. The afternoon was enjoyably spent with valentine games planned by the hostess, conversation and Victrola music. The delicious refreshments served were in keeping with the valentine season and the dining room was attractively decorated in valentine colors.

#### Sinclair Country Club Hold Regular Meeting.

The Sinclair Country club held their regular meeting Wednesday afternoon at the home of Mrs. Frank Green. A good attendance was present. The roll call was answered by bringing the first photograph. Mrs. Walter Wheeler read a paper on "Has the War Destroyed Our Morals?" Mrs. George Robinson had a paper on "The Wings of Mary Roberts Rheinhardt." The guests were: Mrs. W. C. Thompson, Mrs. Ed. Phillips, Mrs. Edgar Cully, Mrs. Frank Hunter, Mrs. Davidson and Mrs. Frank McCurley. The next meeting will be held with Mrs. Kate Brown and Mrs. Emmett Brown on March 1st.

#### Grace Societies Hold Joint Meeting.

The Woman's Foreign Missionary society and the Ladies' Aid of Grace M. E. church, held a combined meeting yesterday afternoon in the church parlors. A short program was first given by the Missionary society. Mrs. J. W. Berry opened the meeting with devotional services and Miss Katherine Parker then sang a group of songs which were much appreciated by her audience. Mrs. H. A. Perrin had charge of the mission study and read the chapter on "India," from the book, "The Kingdom and the Nation." Miss Groves had the closing number on the program, giving "Sketches of Our Work." The session after which the meeting adjourned to a social hour and the hostesses served refreshments. Mrs. Hugh Green was the chairman of the hostess committee and she was assisted by Mrs. Herbert Capps, Mrs. M. E. Gilbert, Mrs. J. R. Harker, Mrs. H. J. Volpeh, Mrs. Grant Graff, Miss Anna Hopper and Mrs. George.

During the business meeting of the Ladies' Aid society the members elected the following new officers:

President—Mrs. Ben Lurton.  
First vice-president—Mrs. John R. Davis.  
Second vice-president—Mrs. H. P. Mohr.

#### Mrs. W. W. Walker Hostess To Murrayville Club.

Mrs. W. W. Walker of Peoria, delightfully entertained the members of the Domestic Science club of Murrayville Wednesday afternoon at the home of her parents, Mr. and Mrs. C. P. Daniel. The program was a very interesting one, being entirely on the subject of birds.

The club opened with the club prayer, followed by the roll call, which was responded to by drawing an outline of a bird house. All club members were present and Mrs. Mary Gunn present as a guest.

The first paper, "Birds Children Should Know," was by Mrs. Gertrude Vogelhund, Winchester. She treated the subject very originally and carried her listeners back to childhood days. All common birds and their traits were given. The session was closed by the singing of the club song, after which the hostess served a most delightful two course luncheon. The first course consisting of fruit salad, whipped cream and wafers, and the second course consisted of heart shaped cake and ice cream. Decorations and

menu suggested the valentine season.

#### Mrs. D. T. Heimlich Hostess To Pleasant Hour Club.

Mrs. D. T. Heimlich entertained members of the Pleasant Hour club at her home, 603 South East street Wednesday afternoon. The affair was a valentine social, the hours being from 3 to 5. There were a number of guests present and a most enjoyable afternoon was spent by the hostess. Refreshments were served.

#### Birthday Surprise For Mrs. Birdsell.

Mrs. James H. Birdsell was given a very pleasant surprise Tuesday evening, the event being in honor of her fifty fourth birthday. A number of her friends motored out to her home northeast of the city and spent a very pleasant evening with her. The guests took refreshments with them and these were served at a late hour. A large birthday cake bearing fifty four candles was one of the features of the evening. Mrs. Birdsell was the recipient of a large number of very nice gifts, and was glad to have with her on that occasion all of her children except one son, A. E. Birdsell of New York City.

The company included Mr. and Mrs. R. L. Wolter and children; Mr. and Mrs. Jesse Cruse and children; Mr. and Mrs. C. C. Beemer and children; Mr. and Mrs. Grant Ferguson and children; Harry Birdsell, Miss Lorene Souza.

#### Entertained U. C. T. Club.

Members of the U. C. T. Woman's club met yesterday with Mrs. Lloyd Ross at her home on Pine street. Mrs. Cannon was the assistant hostess. At the business session the final arrangements were made for the oyster supper which is to be served Saturday evening, Feb. 18, following the regular U. C. T. meeting.

During the social hour refreshments in keeping with Valentine day were served. Some sewing was done for Passavant hospital and the whole afternoon was pleasantly and profitably spent.

#### Northminster Had Father and Son Banquet.

Observance of father and son was also made a mother and daughter affair as well, at Northminster Presbyterian church, banquet and entertainment, held Wednesday evening. The program and the evening was declared a most helpful and enjoyable one by all present.

Rev. Spooner acted as chairman of the evening, during which some highly enjoyable musical numbers were rendered. Edward Dresselman sang a number of songs to the delight of the audience and Tom Hough sang and played. Mrs. Charles Pines favored the audience with a solo and Jack Randal gave a number of pieces on a guitar and others aided in entertaining.

A large number were present and it was the unanimous decision of all that the observance of father and son day next year should be an affair of mother and daughter also.

The banquet was an elaborate one and good things to eat were plentiful. The committee which served the banquet was composed of the following ladies: Mesdames Vincent Vieira, E. M. Henderson, Bess Goodrick, Bert Moore, J. W. Baptist, George Souza, Frank Nunes, Thomas De- frates and T. F. Timmons.

## SPRINGFIELD WINS THE DEBATING CUP

Capital City School By Winning From Jacksonville and Quincy Becomes Permanent Owner of the Cup—Jacksonville Is Second

Springfield High school's debating team by winning from Jacksonville in that city and from Quincy at Quincy Wednesday evening became permanent owner of the Tri-City debating cup.

The debate was hard fought and had Jacksonville been able to win at Springfield she would have been the winner. The locals finished second while Quincy was last.

Jacksonville with the affirmative side of the question received the unanimous decision here while the negative team lost by a unanimous decision at Springfield. Springfield's negative team won at Quincy and this gave her the cup.

The three cities have been debating for the past three years. During that period Springfield won four times, Jacksonville three and Quincy two. The total points scored were: Springfield, 12; Jacksonville, 8; Quincy, 7.

The judges in the debate here were: Prof. Wells, Bloomington High school; Prof. Schroeder, Illinois State Normal; Prof. Swift, Illinois College. The judges at Springfield were: J. J. Frederick, Illinois Wesleyan; O. M. Hubbard, debating coach, Decatur High school; W. S. Graham, debating coach Normal University High school.
